

DEWEY LEAVES MANILA FOR HOME TO-MORROW.

Will Reach Hong Kong Next Monday, Where Repairs Will Be Made.

THEN, HO! FOR NEW YORK!

With Furnished-Up Hull and Machinery and Fixings All A-Gliding, She Will Point for the Long Trip.

Special Cable to the Journal and Advertiser.

(Copyright, 1899, by the New York Journal and Advertiser.)

HONG KONG, May 18.—Admiral Dewey will leave Manila on Saturday morning, the 20th inst.

If all goes well he will arrive here next Monday morning.

Arrangements have been made here to put the Olympia, the Admiral's flagship, in dry dock as soon as she arrives. Her long sojourn in tropical waters has fouled her bottom so badly that she will need a thorough scraping in order to fit her for her trip across the Indian Ocean.

There are other matters, too, that will need to be looked after. Her machinery will be completely overhauled. New "trim" will be added and the "gingerbread" work, which was dispensed with at the time she was put in war rig, will be replaced. She will be coaled and provisioned here, and when she steams out of the harbor about two weeks hence she will be in shape to make another record-breaking voyage with her record-breaking Admiral.

2,000 RUSH TO RECEIVE DEWEY.

The Mayor Snowed Under with Applications to Get on the Reception Committee.

More than 2,000 applications for appointments on the Reception Committee to greet Admiral Dewey in New York harbor were received by Mayor Van Wyck up to 4 o'clock yesterday.

The Municipal Assembly will pass the \$150,000 appropriation at its next meeting, on Tuesday. Before the Mayor can sign the bill and the money can become available the resolution must be printed in the City Record and then sent to the Mayor's desk for three days thereafter, but don't worry—nobody will bar the allotment of the money.

It was said yesterday that the General Committee, which will number several hundreds, will not be selected until about a week from Tuesday. In the meantime the applications for places on the committee will continue to pour in.

Afternoon McCall saw Mayor Van Wyck yesterday. As soon as the Executive Committee will be decided upon, the sub-committee of ways and means will be selected and ready to receive suggestions.

ODD HAPPENINGS IN AND NEAR THE CITY.

Bull Movement in Dewey Flings.

AMERICAN flags are going up when Dewey comes, not only on the buildings, but up in price. Flag makers say the supply of bunting is almost exhausted, and they are using higher grade cloth than they usually do because all the color is gone. It is said that 50,000 yards of bunting will be used in welcoming Dewey.

How to Cow Mad Dogs.

AN alleged mad dog "denuded" J. A. O'Connor's saloon, Ninety-fifth street and First avenue. The bartender defended himself with a bung starter and a bottle, but did not cow the dog until he squirmed between the legs of the man, when the dog surrendered and allowed a policeman to shoot him dead.

Mustn't Fool Insurance Companies.

IT'S an offence in this State for a citizen to give a false name to an insurance company and tell it that he has never been employed by one before, thereby inducing it to give him a job. Jacob A. Ulanov was prosecuted for this offence and will proceed to the State Court held for trial.

Jewelry Store in Her Bustle.

MRS. FRANCISCA BEINO, passenger from Genoa on the Sante, had three neck chains, 55 finger rings, 164 charms and 114 pairs of earrings in her bustle. Detained by customs officers on the charge of smuggling.

Change of Base for Many Officers in Both Branches of the Service—Captain Collins to Manila.

Major William Quinton, Fourteenth U. S. Infantry, will proceed to Manila and join his regiment.

First Lieutenant William M. Crofton, First U. S. Infantry, is relieved from duty as chief master sergeant for the State of Connecticut and will proceed not later than May 27 to join his company.

Former Policeman Convicted of Forgery.

Thomas Clarkson, a retired policeman, was convicted yesterday in the Court of General Sessions of forgery in the first degree. Recently, in disguise of some property, he forged the name of a divorced wife to the deed and received the purchase price, amounting to \$4,700. He will be sentenced to six years.

AND THE DIMES POUR IN.

Letters, Too, That Show How Deep in the Hearts of All Good People Is the Fearless, but Prudent Hero of Manila.

The dimes still come along in increasing volume at each succeeding mail, and if the present indications are borne out by actual results there never will be such another cup as Admiral George Dewey's loving cup, which is perfectly proper, for "Uncle George" deserves the best in the land.

There will be banquets to no end given the Admiral of the Navy. He will enjoy them in a way. Their real value to him will be the affection and honor in which he is held and which make such expressions possible.

But what a banquet amount to which is passing and soon forgotten—compared with an enduring and massive loving cup which every bit of the silver of this cup is a separate token of affection from some one of his own countrymen or countrywomen. Age, and fellow countrymen, and there is no let up in the letters or in the expressions of fervent patriotism and enthusiasm which they contain. Here are a few of these letters to the Journal which show the tenor of their fellows:

He Charms a Countess.

I am glad and proud to send my dimes and gold to the fund for the opportunity offered of doing anything to honor our great American hero. God bless him and those of his kind.

COMTESSE DE CASTELVIECHIO.

Loved by a Girl Elder, Aged 10.

Office of The British Bantam, 24, rue de la Paix, Paris.

We English people love Admiral Dewey because he is like our Nelson, and I know some boys and girls who would like to see him. Perhaps you could put an English handle on the cup. Please let me know if you will take the sixpenny piece. Yours truly,

DOROTHY G. MERRILLS.

A Dime and a Rhyme.

Good health to Dewey and every one there. Let us all drink and be of good cheer. Drink to the hero that won the fight in Manila Bay a year ago. I hope to see him in New York. And over remember the day of May. Will always be known as Dewey's month. I'll send you one.

C. PIERCEBRING.

Dewey the Grandest Ever.

Accept with utmost sincerity contribution to the fund for the Dewey Loving Cup, with the feeling of nothing but admiration for the grandest representative of our noble race in naval warfare.

The Festive "Drummer" Mite.

The Journal never sleeps when there is something worthy to be done for our heroes. This time it is the Dewey loving cup. The road will begin to send you their dimes toward this fund. I know you will appreciate the devotion and love that will be put into it. I am sure that the loving cup will be a beautiful loving cup ever made for a hero like our Admiral Dewey. Yours truly,

L. M. STAHL.

Jersey Would Raise the Limit.

Expended you will find 10 cents for the Dewey loving cup. I only wish you would accept more.

ONE MANAGER, TWO ACTRESSES--A SUIT.

Actress "Patsie" Harris. Who Is Co-Respondent in a Divorce Case.

For some time rumor has had it that Theatrical Manager E. D. Schults had been made defendant in a suit for divorce. That the report is correct is shown by the papers prepared by Bennett & Silverman, of No. 150 Nassau street, counsel for Mrs. Schults.

Mrs. Schults admitted last night that she was suing for a divorce. Her allegations mention an actress, Leonore Harris, better known as "Patsie" Harris, as the co-respondent.

Leonore Harris was rechristened "Patsie," it is said, by Lillian Russell when she was playing in the latter's company, in "An American Beauty."

She has also played in the "Whirl of the Town," "In Gay New York," the

TEACHER'S DOSE OF CATENNE MAY KILL.

Lad Talked in School and Was Given the Pepper as a Cure.

Derby, Conn., May 18.—John Tripp, the seven-year-old son of Horace Tripp, of Malbury street, is seriously ill from the effects of a dose of cayenne pepper administered to him by Miss Mary Comery, a teacher in room No. 1 of the Shelton Public School, and Dr. F. W. Loomis, of this city, who is attending him, says the boy will die.

Young Tripp was the most troublesome of Miss Comery's pupils. She had tried many ways to break him of the habit of whispering, and yesterday at the advice of a friend she procured a quantity of cayenne pepper and, calling Trip to her desk, put the fiery stuff into his mouth.

The boy tried to swallow the pepper and was seized with a fit of violent coughing. He was removed to his home and a physician was called. Acute gastritis developed, accompanied by a high fever.

Miss Comery is a pretty young woman and was highly thought of in the community. She is overcome with grief over the consequences of her act, which has caused great public indignation. It is said that the Board of Education will ask for her resignation at its meeting on Saturday.

IT CAN'T BE DONE.

No One Can Remain Well, No Chronic Disease Can Be Cured Unless the Stomach Is First Made Strong and Vigorous.

This is plain because every organ in the body depends on the stomach for its nourishment. Nerve, bone, sinew, blood are made from the food, which the stomach converts to our use.

How useless to treat disease with this, that and the other remedy and neglect the most important of all, the stomach.

The earliest symptoms of indigestion are sour risings, bad taste in the mouth, gas in the stomach and bowels, palpitation, all-day feeling, faintness, headache, constipation; later comes loss of flesh, consumption, liver and heart troubles, kidney diseases, nervous prostration, all of which are the indirect result of poor nutrition.

Any person suffering from indigestion should make it a practice to take after each meal one of Stuart's Dyspepsia Tablets, allowing it to dissolve in the mouth and thus mingle with the saliva and enter the stomach in the most natural way. These Tablets are highly recommended by Dr. Jennison because they are composed of the natural digestive acids and fruit essences which assist the stomach in digesting all wholesome food before it has time to ferment and sour.

Stuart's Dyspepsia Tablets are sold by druggists, full sized packages at 50 cents. They are also excellent for invalids and children. A book on stomach diseases and thousands of testimonials of genuine cures sent free by addressing F. A. Stuart Co., Marshall, Mich.

The Geo. W. Childs Cigar costs more to make than any other 5c. cigar, and thus the dealer has to pay more for it than he does for other 5c. cigars.

That is one reason why all dealers don't handle it. Some think they can't afford to sell a cigar in which there is so little profit.

But the big demand for it will by and by cause them to change their minds. They will find the most profit in it on account of the number they can sell.

If your dealer does not keep it yet, ask him to hurry up, before you try another dealer.
